Endnotes

⁺ 1. For the purposes of this policy, conflict of interest is defined as ‘a situation where a Member, or the entity with which he or she is affiliated, has a real or perceived competing interest with Athletics Canada’s activities. This competing interest may result in the Member, or the entity with which the Member is affiliated, being in a position to benefit from the situation or in Athletics Canada not being able to achieve a result which would be in the best interest of Athletics Canada’.

Athletics Canada recognizes that some situations may present conflicts that are not materially harmful. As a result, Athletics Canada’s Board of Directors, CEO or Senior Staff, as appropriate, will address such situations on a case-by-case basis. All Members are responsible to report to Athletics Canada all instances of real or perceived conflict, so that a determination can be made as to whether the particular instance is in fact harmful to Athletics Canada or its Members, and therefore prohibited.

I have read the “Expected standard of Conduct” and agree to abide by the conditions within.
