North Central and Caribbean World Masters Athletics Championships

Many Canadians and Americans went to Puerto Rico now for the second year in a row to compete. Many of us had great concerns over how well the meet would be run. Nearly all of those concerns were unfounded. It turned out that only transportation would be a problem. The officiating of the meet was at the highest level. Awards flowed into Canadian hands. Every Canadian earned at least one medal. The big groups were Puerto Rico, Mexico, USA and Jamaica. Several non-region athletes also attended from Brazil, Panama, Argentina, Guyana, Great Britain and Ireland.

There were 106 women and 279 men. The women competed in more events than the men.

The highlight of the meet was our own Olga Kotelko. She won 10 gold medals with at least three World records all at age 85. Even the mayor praised her in his speech.

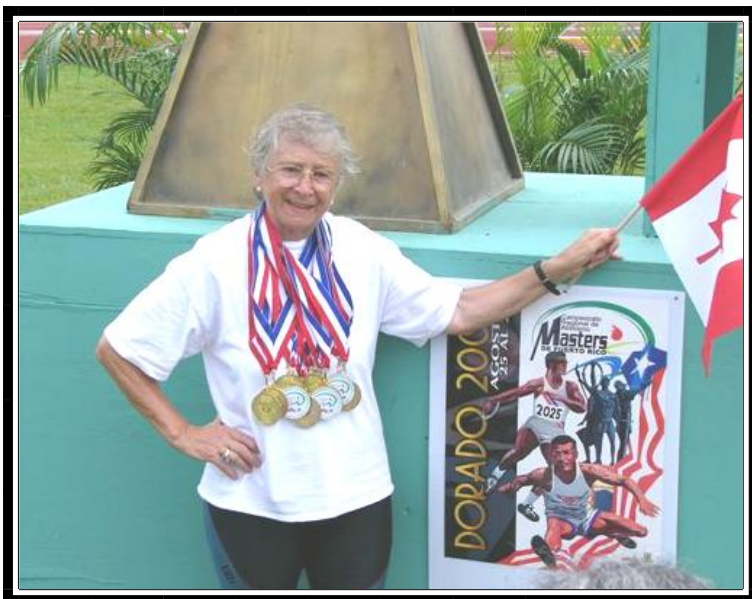

<u>Canadian Medals</u>	<u>Gold</u>	<u>Silver</u>	<u>Bronze</u>	
Glen Chipkar	1	1		
Michael Finkbeiner	1			
Fred Judson	1	2	1	
Olga Kotelko	10			
Agnes Kueczalska	1			
Liz McBlain	3	5		
Doreen McLeod-Smith	3	3	1	
Marg Radcliffe	5			
Rhona Trott	1	3	1	/43 CDN medals

The Canadian had a great time and will take home a lot of memories. Canadian records have not been indicated.

The meet was also important for the region because the next championships were determined at the AGM. Colorado presented a very polished and complete outline of their bid. Guatemala also presented a bid and won by a few votes. The championships for 2006 will be held in Guatemala City.

The new NCCWMA executive was also chosen in Dorado. Brian Oxley stepped down from president and Brian Keaveney was voted in for the next four years and will also sit on the WMA council as the North American regional delegate. Brian Oxley is now off of the WMA council but will take on the job of the manager of records for WMA with Brian Keaveney as the records chair. I thank Brian O. for his many years of work for you the athletes. Jack Castle our CMAA president will remain as NCCWMA treasurer. See Doug's picture website for Dorado pictures. Others are available from me.
