

## Judy Warick

Judy began her career as a masters athlete at 40 and has been competing for 25 years. She competes in track events from 800m to the steeplechase, road races up to the half marathon and field events – triple jump, high jump and discus. She has set five Canadian age group records and three world records, and won 4 WAVA/WMA medals and many Canadian Masters medals.

She has very strong credentials as an athlete, but the CMA feels that she is even stronger in her executive/administration roles. She started the masters track and field organization in Saskatchewan in 1988 and continued to work with it until 2005. She hosted two Canadian Masters Track & Field Championships in Saskatoon. She has been head coach of the Century Track and Field Club since 1984.

Judy has been a Track & Field official since 1975 and in 1989 became a Level 5 Vertical Jumps official, the highest level in Canada. She has worked national and international meets in that capacity and been awarded the Bob Adams Award of Excellence for 30 years of service as an official. She was inducted into the Saskatoon Sports Hall of Fame in 2012 and given the Saskatchewan Athletics Recognition Award for her work with the Saskatchewan Masters.
