### 2017 HALL OF FAME INDUCTEE

Based on recommendations made by the Hall of Fame Committee, the CMA Board inducts into the Canadian Masters Athletics Hall of Fame individuals who are judged to have made significant contributions to masters athletics in Canada, in either of two categories – as **Athletes** or as **Executives** or **Administrators**.

For the year 2017, one individual will be inducted into the Hall of Fame, in the category of **Athlete, Herb Phillips**, from Burnaby, BC.

**Herb Phillips** has competed in masters running for almost 35 years, winning in Road Races from the Mile to 100K, Track events from 800m to 10000m, and in Cross Country events. Some highlights are: 11 age group Gold medals in Canadian Cross Country Championships, from 1992 to 2007; 12 Canadian age group records on the Track and the Roads, including two M55 records set in 1995, the 10K Road and the Marathon, which remain as records today, 22 years later; in 2000, the Gold medal winner in three 100K events, including the Canadian and the World Championships; and an estimated total in his career of over 1,040 traces, totaling over 102,000 miles.
