

## Bob Moore

Bob in the Steeple at the OMA Championships 2009

Robert William Moore – Bob – was every bit as much a pioneer as Judy and Lenore, though for very different reasons. Bob showed his contemporaries that it was possible to continue a highly successful open running career into his 30s. Al-most 40 years later, he is still racing, with 1.621 races completed as of June of this year (that count may have gone up by now). He is one of THE founders of masters athletics, both in Canada and internationally. His performances in the M35 category remain the standard in the CMAA record books, along with another —20 or so records over various distances in M40 to M55. In his own words —not as competitive as he used to be, Bob continues to be one of the most respected athletes in our sport for his ongoing support and assistance at all levels of running: club, provincial and national. Through his organizational and writing skills, he has contributed so much to running in Canada. No wonder he is a member of the Canadian Road Runners Hall of Fame. Now it is time to induct him into the Canadian Masters Athletics Hall of Fame as well.

Citations for Athletes inducted into the Canadian Masters Athletics Hall of Fame 2010 were presented at the gala Awards Banquet in Toronto on July 16th.
