

Jack Castle

Jack finishing the Cross Country at the World Championships in Riccione, Italy 2007

Jack Castle's involvement with CMAA started in 1988, when he began participating in the track events. Within two years his organizational abilities were recognized and he was recruited to the CMAA executive. Not long after that he was asked to look after the medals and awards. Twenty years later that responsibility is still on his plate. Next he took on that most crucial of roles for the success of any volunteer organization, that of treasurer. He's still fulfilling that role, too – not just for CMAA, but also for the North, Central America and Caribbean region of WMA. As if that were not enough, he also took on the role of CMAA president until 2004, while continuing his duties as treasurer, of course. During all these years he also competed in most of the Canadian and international meets, serving as Assistant Team Captain for several of the world meets. As more than one member of those teams has reported, "Jack was a great administrator – reliable and efficient." Where would the CMAA be without such diversely talented athletic executives as Jack. We thank him for his many contributions, and welcome him to the Canadian Masters Athletics Hall of Fame.

Citations for Athletes inducted into the Canadian Masters Athletics Hall of Fame 2010 were presented at the gala Awards Banquet in Toronto on July 16th.

The Citation was presented by Emil Muller. Accepting in Jack's absence was Vern Christensen.
